John - I have reviewed the amendment for Notice of Intention for a Small Mine permit for the Southwest #1 Project by Red Leaf in Uintah County. They have requested the following :

- Increase the current 5 acre site to a 10 acre site

The reclamation surety is determined to be \$183,301 for the 10 acres. The current bond held is for 5 acre site with facilities. Please send your concurrence via email. If you have any questions please call me at 801-538-5257
